Hello  $(^{\circ}O^{\circ})$ , I'm writing the foreword from my bed. Ah, it's not that I caught a cold or anything. I just thought I'll write the foreword before falling asleep, that's it. Talking about being sick, last year Komeya's ambiance went down because of the food poisoning that happened on the first hellish day of Natsu-Comi, this isn't really a good memory... But time really flies, it's already been a year  $(o'\omega)$ . I actually did this manuscript in June (laughs). So on time ).

Because I changed some things and there was a typhoon on the deadline day, the manuscript couldn't be handled on time, a lot happened. But in the end, finishing the manuscript itself early is a good thing.

I'm thinking I'll do it that way too starting next year. It's still early, so I may fail with this too (°  $^{\circ}$   $\omega$   $^{\circ}$ ). By the way, it doesn't have anything to do with this book, but well, I'll write it in the afterword... Anyway, it sets up before the first volume, so I'll be glad if you re-read the first volume after finishing this story!

Okay, let's go!

## Still one-sided.

THAT'S IRONIC ...

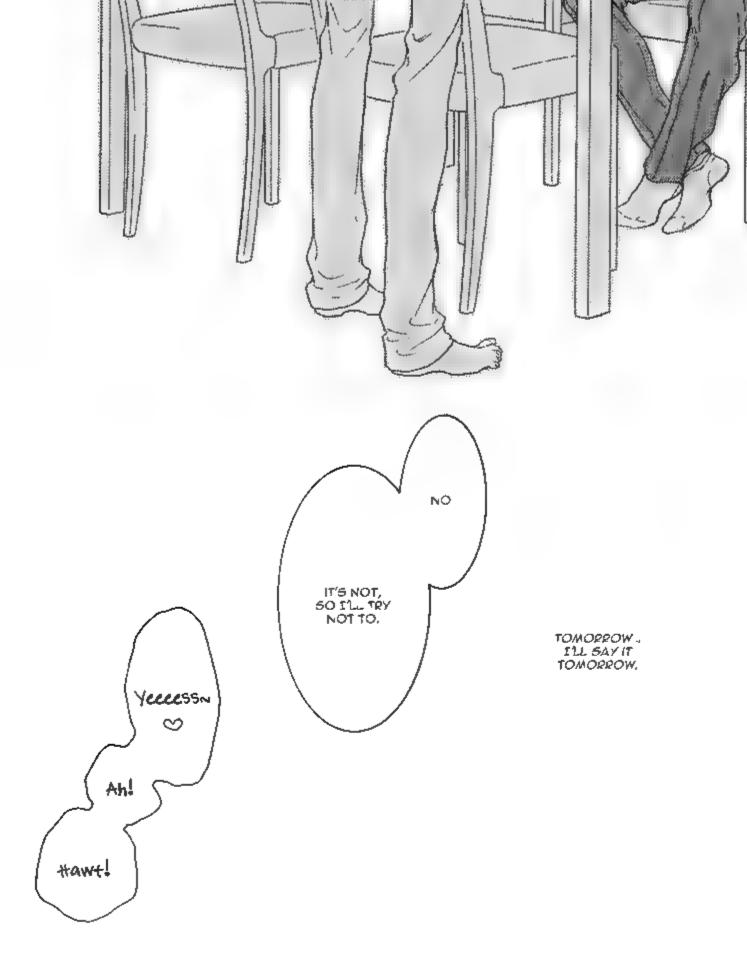

THIS HOPE-LESS, MISERABLE MASTURBATION IS BARBLY KEEPING ME TOGETHER

(This is a story about the 4th volume.)

## And then, now ...

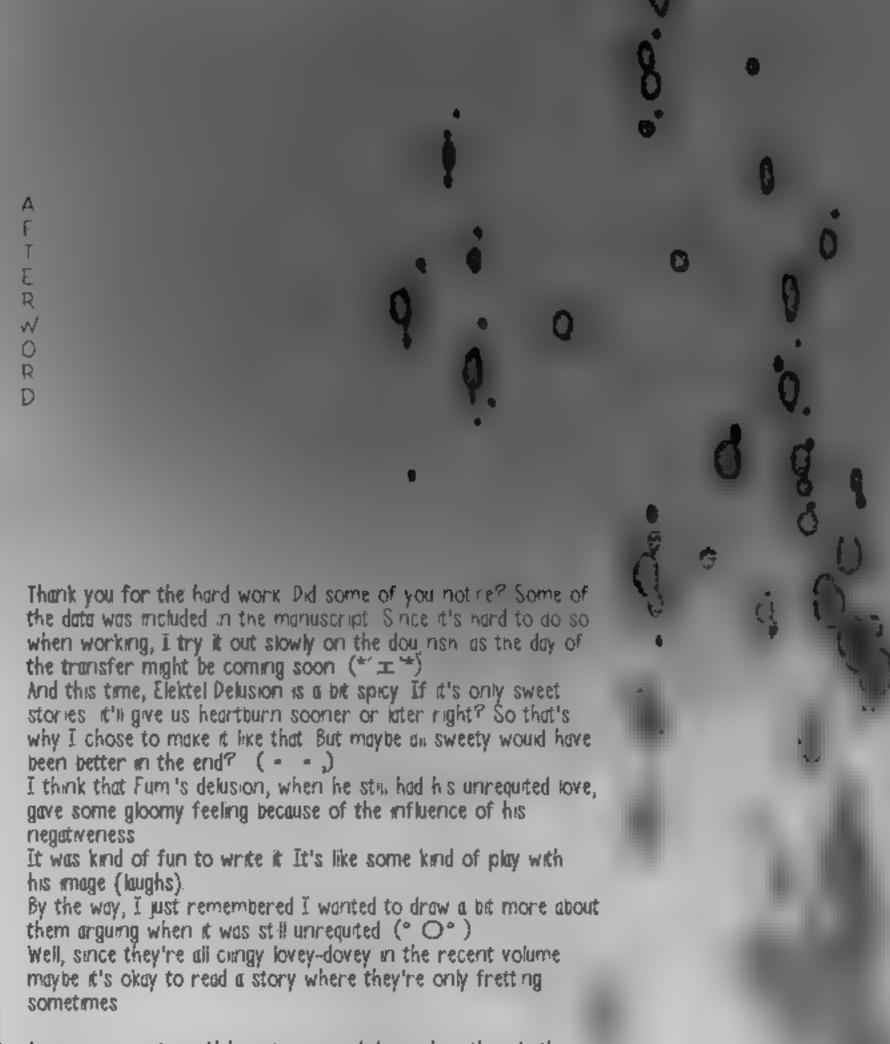

Anyway, since it would have been a sad dou, inshi with only this story, I tried to add a little "forced" service by Shunpei as an extra (laughs) A service with all his might. This short manga came out in July, and is a part of "Elekter Delusion 4", when Shunpe's taking his exams.

I'll be glad if you read them all together.

Since I finished this manuscript safety, I'm going to dive with the whale-sharks in Okinawa-

I've always wanted to meet the whale-sharks in the sea, so I'm so excited! It's inside a fish-tank, but still (laughs)
I'll be watching them, grimning through the giass, being fed at the aquarium And on the next day I'll feed them in the sea

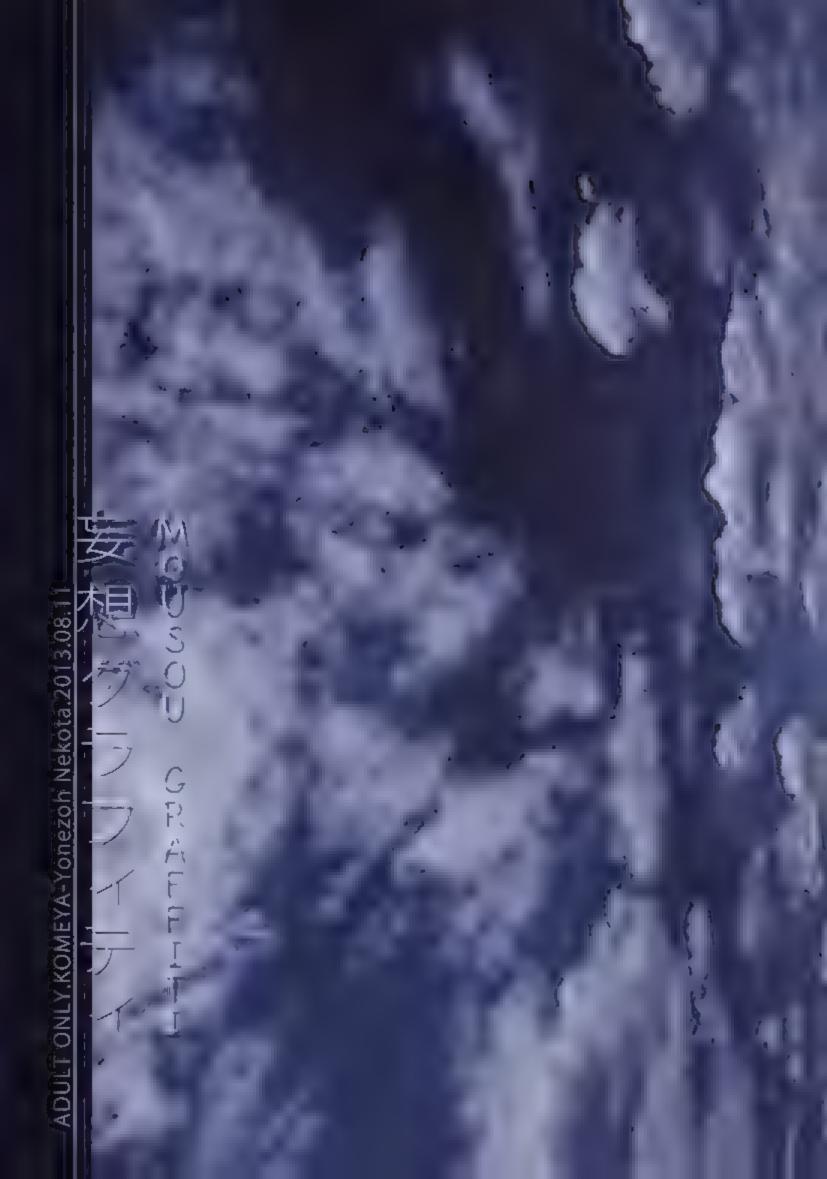

Hodenden

Well then, let's meet next time~
